The screenshot shows the Vistaprint website interface for selecting a business card. The top navigation bar includes 'All Products', 'Business Cards', 'Marketing Materials', and 'Signs & Posters'. The main content area is titled 'Your Standard Business Card' and shows a progress bar with three steps: 'Step 1: Complete Your Order', 'Step 2: Recommended For You', and 'Step 3: Checkout'. Below this, there is a 'Quantity' dropdown menu and a 'Choose Your Quantity' section. A small image shows a hand holding a business card. The main table lists various quantities with their respective prices per piece and total prices. The 500 quantity is highlighted as 'RECOMMENDED'.
